# TRAINING PROGRAM INFORMATION

## HOLZ-HER ONLINE SOFTWARE CLASS – CAMPUS **CST**

Thank you for your interest in our CST Online Holz-Her Campus Software Training.  Weinig Holz-Her is the leading manufacturer of panel processing equipment. We offer comprehensive training programs on our machinery software to machine operators and programmers in a classroom-type setting – not at the machine.

This CST online training course is focused on areas where the customer needs specific applications and/ or refresher. It can include any of the four (4) separate modules: HOPS, aCADemy, MT Manager and Workcenter. And are held online from WEINIG/HOLZ-HER Headquarters in Mooresville, NC. The classes are designed in ½ day blocks (4 hours/day) for more focused-specific instruction.  If the customer only needs refresher on IF Statements and Variables for example, those functions can be discussed in a 1 (½ day (4 hour)) block, versus taking the full Introductory course which covers the entirety of the CAMPUS software.

**Course Fees:**    $175/hour/ person (minimum (1) 4 hour block)

**Course Enrollment Process**

1.  **Email** the registration information to Beth Smith:  beth.smith@weinig.com
2.  You will be contacted for additional information, as needed.
3.  You will be emailed a confirmation letter with all necessary information to plan your attendance.
    **NOTE:** Your enrollment is not confirmed until you receive the confirmation letter by email.
